

Texas Community Education Association Conference 2010

Register **TODAY** for the Annual TCEA Conference, an opportunity to learn new ideas in an exciting and creative learning environment. We will provide the latest and best information, resources, and support in Community Education today. TCEA addresses the many facets of Community Education, from 21st Century Learning Centers, adult education, community education, preschool programs, after-school and summer programs for youth. We encourage lifelong learning for all. Discover the secrets of your colleagues from across the state, and learn how to make informed decisions for your programs.

Silent Auction

The silent auction is always a fun part of the conference. Bring something special from your hometown or your community education program for the auction. Auction items may be dropped off at the registration table.

REGISTRATION

Registration form available online at www.tcea.com

Community Education is the process by which the citizens in a school district, using the resources of the district, organize to support each other and to solve their mutual educational problems and mutual lifelong needs.
